All places lead to internal knowledge  
which can reform the "outer" know.

A friend is simply someone I am attracted to  
sharing a prospective relationship full of zeal &  
more likely than not, sex/loosh/love.

Creative/productive destruction of the depraved  
friendemy - family - diss Fanden.

Complex N/Aterney or simple well-into 'N'ancy?

"underlying friendship of inequivalent hatred" & how I purposefully  
coll phoned/communctive era of errors.  
romanticized lessons of violence

what are these equidings equating to? Now, equal  
in a problematic problem is pravelodge, practicing  
pragmatism is parlay.
